

## WHO ARE LGM?

**Proudly formed in 1988 at the kitchen table of Alister Mogford.**

We've remained a British, family run business, supplying internationally approved products

In 2016 we achieved the high standards of the ISO9001:2015 approval

The future's looking bright...

## WHAT DO WE DO?

**We offer an extensive range of linear heat detection, fire & gas detectors, bells, beacons, sounders & sirens.**

12,000 products in stock including explosion proof signalling and marine approved fire detection systems

We supply products from industry leading manufacturers from around the world

Ensuring you get:

- An extensive range of internationally approved products
- Competitive prices
- Exceptional lead times and swift delivery
