

LGM GOES GREEN!

For a happy planet

LGM
PRODUCTS

We've gone carbon neutral with all our courier deliveries

<http://bit.ly/DHLGreenShipping>

All our company cars are hybrid electric...

...and we have a cycle to work scheme

Our toilet has been twinned to fund safe sanitation around the world

toilettwinning.org

We buy 100% recycled toilet paper which help build toilets in developing nations

uk.whogivesacrap.org

We are reducing our office plastic with refillable kitchen and bathroom supplies

All our company flights are carbon offset

We're using 100% recycled paper at the office...

...and recycled packing materials in our shipments

We will continue to strive towards making our business better for our planet and our community and welcome any further suggestions.
