## UK Carriage Charges from 1<sup>st</sup> April 2023

LGM Products prides itself on offering excellent customer service. Within the UK we aim to deliver our products within 24 hours using direct courier services.

Unfortunately, due to the rising costs of transports and logistics we have been forced to revise our UK mainland carriage costs.

From the 1<sup>st</sup> April the following charges will be implemented –

Details	Code	Cost (ex VAT)
Standard Carriage <20KG	CARRIAGE01	£15
Heavy Carriage ≥20KG	CARRIAGE07	£35
Super Heavy Carriage ≥50KG	CARRIAGE08	£75

LGM remains committed to cutting our climate impact and therefore the above carriage charges are for Zero emissions delivery services.

For non UK-Mainland and international shipments, carriage will be quoted according to consignment specification and agreed carriage terms.
